

Five (5) Questions Your Raters Will Respond To Concerning Your Educational Leadership:

- 1. What should this educational leader do to help raise the educational level of "low performing students?"*
- 2. What can this leader do to motivate staff to achieve greater academic results "for all students?"*
- 3. What can this leader do to improve the level of "collaboration" with the many diverse groups of the school and community?*
- 4. What is a weakness or area of need that this person could improve?*
- 5. What do you see as one or two "strongest assets" of this educational leader?*
